

OSHA 10-HOUR GENERAL INDUSTRY TRAINING

October 28 – October 29, 2009

Conference Overview

This Course was developed by OSHA for individuals who typically work in a “General Industry” setting. Please forward this to your employees who could use some training on a variety of safety/health related issues and regulations. Participants will receive a comprehensive course workbook, an OSHA 29 CFR 1910 General Industry Regulation notebook and a course completion card from the OSHA Training Institute.
